St. Petersburg College Nursing Graduation Ceremony

How it works:

At the pinning ceremony, we will be on stage taking photos of you as your instructor awards you with the pin (or certificate, for BSN ceremonies). After you are pinned, you and your instructor should look toward the camera (and look happy!) for your photo. These "Pinning Photos" will be available for purchase after the ceremony.

Pinning Photo

Class Photo:

After the pinning ceremony you will be asked to stay in the auditorium for the class photo. This will be available as an 8x10 print.

Portraits:

After the class photo, the photographer will be available for portraits or "Buddy Photos". The Portrait Packages can be of you alone, or a small group, and are available in packages of 8x10's, 5x7's and wallets (see order form). **Buddy Photos** are for you and a friend, classmate or family member. Two or three people are best for this photo but we will try to accommodate larger groups.
